PROFESSIONAL EXPERIENCE

Calcey Technologies — Singapore / Sri Lanka

Senior Software QA Engineer (Remote, Singapore) · Feb 2023 – Jul 2023
Senior Software QA Engineer (Sri Lanka) · May 2022 – Jan 2023

- Owned QA for AiScout, a football scouting platform of three mobile apps (Player, Scout, Coach) on Android and iOS.
- Built and maintained mobile UI automation with WebdriverIO, TypeScript and Appium, running on real devices via BrowserStack.
- Tested DreamSave, a mobile banking app for community savings groups, and its web analytics platform DreamSave Insights.
- Ran functional, smoke, UI and regression testing each release, REST API testing and Database Testing
- Logged and tracked defects with developers to resolution in a remote, cross-timezone Agile team.

Digital Mobility Solutions Lanka (PickMe) — Sri Lanka

Associate Software QA Lead · Jul 2021 – May 2022
Senior Software QA Engineer · Jul 2019 – Jun 2021
Software QA Engineer · Apr 2018 – Jun 2019

- Tested the PickMe Driver Suite: Driver App (Android/iOS), Driver Registration Portal and Dispatcher Portal, used in live ride-hailing operations.
- As Associate QA Lead, planned and estimated testing, assigned work and mentored QA engineers.
- Designed test plans and cases covering functional, negative, integration and non-functional testing.
- Investigated defects across the app, APIs and backend using Postman, SQL, Kibana logs and Metabase.
- Reported quality status and release risks to product and engineering stakeholders in Scrum ceremonies.

Reservation Gateway — Sri Lanka

Quality Assurance Analyst · Jul 2017 – Apr 2018
Associate Quality Assurance Analyst · Feb 2016 – Jul 2017
Quality Assurance Analyst (Intern) · Jul 2015 – Feb 2016

- Tested Bonotel, a B2B reservation platform for flights, hotels and activities.
- Validated SOAP APIs and bulk XML availability feeds for partner customers using SoapUI.
- Performed functional, regression, smoke and usability testing and tracked defects in JIRA.

Detailed responsibilities for each role are available in my portfolio at yashodhaqa.dev.
